**Fee Change for Receipt of Physical Securities in Decedent's Name**

In the event physical certificates are deposited into an account registered in the name of a deceased client or in the name of joint account holders, one of whom is deceased, the fee to process these transactions will be increasing from \$50 to \$75 per security/issue deposited effective May 2, 2016. This increase reflects a higher fee imposed by the Depository Trust Company (DTC) because manual processing and review of the required documentation is necessary. This fee will continue to be charged to your Merrill Lynch account and noted as a Legal Transfer Fee.

## Notice Regarding Payment for Order Flow and Order Routing Information

In accordance with SEC customer disclosure rules, Merrill Lynch, Pierce, Fenner & Smith Incorporated (“Merrill Lynch”) is hereby informing you that it does not receive payment for order flow from venues to which Merrill Lynch routes its customer orders in equity securities. Merrill Lynch may receive rebates from and pays fees to certain registered securities exchanges for providing or taking liquidity on those exchanges, according to those exchanges’ published fee schedules approved by the SEC. In some cases, the rebates received by Merrill Lynch from an exchange may over a period of time exceed the fees paid to the exchange.

We handle your order so as to obtain a competitive execution price and we regularly monitor the quality of our executions. SEC regulations require that Merrill Lynch disclose the venues to which we route our customers’ orders for equity securities, as well as certain material aspects of our relationships with those venues. For both exchange listed and over-the-counter equity transactions, Merrill Lynch equity trading desks are market making desks and may be one of those venues where our customer orders may be routed for execution. If an order is executed with a Merrill Lynch equity trading desk, the trade confirmation will indicate that Merrill Lynch executed such order in a principal capacity. If you would like a written copy of this information, or information concerning where your individual orders were routed and executed, please contact your Merrill Lynch representative. Our order routing information is updated quarterly and is available online at <http://corp.bankofamerica.com/business/ci/best-execution>.

*\*Please note: Orders placed through any automatic telephone trading service, electronic, or online trading systems cannot specify a particular market center for execution.*

## Customer Order Protection Disclosure

We have in place effective internal controls, including information barriers, to prevent the inappropriate sharing of order information among our equity trading desks. In this regard, each of our equity trading desks independently conducts its trading activities. To the extent permitted by rule or law, when a desk or trading unit, (e.g., including a market making desk which engages in block positioning and provides firm bid/offer quotes) handles your equity orders, other Merrill Lynch equity trading units or desks may separately transact – without knowledge of your orders – for their principal accounts at prices that would satisfy your orders. Conversely, if your orders are handled by another of our equity trading desks or units and no attempt is made to obtain liquidity for your orders from

the market making desk, you should understand that the market making desk may separately transact – without knowledge of your orders – for its principal accounts at prices that would satisfy your orders. In either case, the relevant equity trading desk or unit’s execution prices could be better, the same, or worse than the prices you receive for the same security.

## Residual Balance Processing for Closed Accounts

If you close your ICMA®, CMA® or Individual Investor Account and there is a residual balance of less than \$1, Merrill Lynch will not mail you a check. This policy is designed to reduce the costs and inconvenience of mailing checks for small balances. Merrill Lynch aggregates residual balances of under \$1 arising in closed accounts and contributes these amounts to charity.

## Mutual Fund Disclosure Pamphlet Available

*Mutual Fund Investing at Merrill Lynch* provides information about the fees and expenses related to mutual funds available at Merrill Lynch, as well as the compensation that Merrill Lynch earns with respect to those funds. This pamphlet also discusses sales charge discounts and waivers that may be available based on the fund’s prospectus and/or statement of additional information. Notify Merrill Lynch if you believe you qualify for any discounts or waivers. For a copy of this client disclosure pamphlet, please visit [ml.com/funds](http://ml.com/funds).

## One-Per-Year Limit on IRA Rollovers

Federal tax laws provide that you can implement only one rollover from an IRA to another (or the same) IRA in any 12-month period, regardless of the number of IRAs you own. You can, however, continue to make as many trustee-to-trustee transfers between IRAs as you want. You can also make as many rollovers from traditional IRAs to Roth IRAs (“conversions”) as you want.

## Margin Risks Disclosure Statement

**If you borrow funds from Merrill Lynch to purchase securities, Merrill Lynch’s collateral for the loan will be the securities purchased, other assets in your margin account, and your assets in any other accounts at Merrill Lynch or any of its affiliates.**

**If the securities in your margin account decline in value, so does the value of the collateral supporting your loan, and, as a result, we can take actions, such as issue a margin call and/or sell securities or other assets in any of your accounts held with us, in order to maintain the required equity in the account.**

**It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:**

- **You can lose more funds than you deposit in the margin account.**
- **We can force the sale of securities or other assets in your account(s).**
- **We can sell your securities or other assets without contacting you.**
- **You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call.**
- **We can increase our “house” maintenance margin requirements at any time and are not required to provide you advance written notice.**
- **You are not entitled to an extension of time on a margin call.**

## **Householding of Mailings from Merrill Lynch**

If you have linked your Merrill Lynch accounts for mailing purposes with the Statement Link Service, Merrill Lynch will reference your established link relationship to consolidate other mailings we send you (such as trade confirms, service notices, and other important notices), provided all accounts in the link relationship have the same mailing address. This service enhancement will help reduce the amount of mailings you receive from us.

You can further reduce the amount of mailings we send you by electing to receive your account records electronically. To learn more about our free electronic delivery service, please visit [mymerrill.com](http://mymerrill.com).

- Describe the error or the electronic transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 calendar days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days of completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

For purposes of this notice, “electronic transfers” include Visa Card point-of-sale transactions, Visa Card cash advances from financial institutions, withdrawals and transfers at ATMs and preauthorized debits from your account (through a program offered by a third party or us). This includes monthly payments to Bank of America, N.A. if you participate in the Visa program, with a deferred debit feature.

Also included are preauthorized credits to your account through our Direct Deposit Service and transfers of funds through the Funds Transfer Service, the Merrill Lynch Web Bill Pay Service and certain transfers through the Merrill Lynch Standing Letter of Authorization program. Transfers to or from your account by Federal Reserve System wire transfers are not “electronic transfers” covered by this notice.

## **Annual Fee for Individual Investor Accounts\***

Clients with Individual Investor Accounts are reminded that the account has an annual fee of \$65. The assessment of the annual fee depends on the date on which your account was opened:

*\*The fee only applies to accounts that are not associated with an Equity Plan and are not used to Exercise and Sell Employee Stock Options and/or receive Equity Awards such as Restricted Stock Units, Performance Shares, or*

## **Merrill Lynch Balance Sheet Available Online, Restated 2014 Audit Compliance Report, and 2015 Audit Compliance Report Available**

The most recent consolidated balance sheet of Merrill Lynch, Pierce, Fenner & Smith Incorporated (“Merrill Lynch”) and its subsidiaries is available for viewing online at: <http://totalmerrill.com/mlpfs>.

As a registered broker-dealer and Futures Commission Merchant, Merrill Lynch is subject to the net capital Requirements of Securities Exchange Commission (SEC) Rule 15c3-1, and Commodity Futures Trading Commission (CFTC) Regulation 1.17. Merrill Lynch has elected to compute the minimum capital requirement in accordance with the “Alternative Net Capital Requirement” as permitted by SEC Rule 15c3-1. At December 31, 2015, Merrill Lynch’s regulatory net capital as defined by Rule 15c3-1 was \$11.412 billion and exceeded the minimum requirement of \$1.546 billion by \$9.866 billion. In accordance with the Alternative Net Capital Requirements, Merrill Lynch is required to maintain tentative net capital in excess of \$1 billion, net capital in excess of \$500 million, and notify the SEC in the event its tentative net capital is less than \$5 billion. As of December 31, 2015, Merrill Lynch had tentative net capital and net capital in excess of the minimum and notification requirements.

As required by SEC Rule 17a-5(c), Merrill Lynch is notifying its clients that it has determined a “material weakness” existed in its internal control over compliance relating to the “no lien” requirements of SEC Rules 15c3-3(c)(4) and (5) during the period June 1, 2014 (the effective date for this notice) to December 31, 2015. No clients were harmed, and no client assets incurred loss as a result of this issue.

As background, in 2015 Merrill Lynch became aware that certain securities accounts it maintains at another institution contained fully-paid for and excess margin client assets that were subject to a lien in favor of that institution. After promptly addressing the situation so that no lien applied to those assets, Merrill Lynch reviewed all its domestic and foreign third-party custodial accounts containing fully-paid for and excess margin client assets in order to ensure compliance with the “no lien” requirements of the rule. In addition, while Merrill Lynch determined that its account opening procedures and controls operated effectively for new custodial accounts opened in 2015, it put in place enhancements to maintain compliance with this rule in the future.

Based on its review, Merrill Lynch believes that any potential future material non-compliance with the “no-lien” requirements of Rules 15c3-3(c)(4) and (5) would be detected and prevented on a timely basis. Nevertheless, Merrill Lynch has restated its 2014 compliance report (for the period June 1 through December 31, 2014), and our auditor has restated its 2014 Report of the Independent Registered Public Accounting Firm (“Compliance Audit Report”) thereon, addressing the issue.

For additional information, the restated 2014 Compliance Audit Report and the 2015 Compliance Audit Report are available for inspection at the SEC’s principal office in Washington, D.C., and its New York Regional Office.

## **Limits on Foreign Ownership of Certain Communications, Maritime and Aviation Issues**

Certain laws impose restrictions on foreign ownership of certain communications, maritime, aviation and other specialized businesses. These restrictions limit the foreign ownership of securities in these industries to a percentage of the outstanding shares.

If Merrill Lynch is notified that the percentage of foreign ownership for a particular issue exceeds the predetermined limit based on the Depository Trust Company’s allocation process, Merrill Lynch will identify the last shares purchased by a customer and may need to liquidate the position causing the overage. Reasonable efforts will be made to contact the affected customer or customers in advance of the liquidation.

A current list of the impacted issues can be found on the Depository Trust Company website at: [http://www.dtcc.com/~media/Files/Downloads/client-center/DTC/DTC\\_Issues\\_Subject\\_To\\_Certifications.ashx](http://www.dtcc.com/~media/Files/Downloads/client-center/DTC/DTC_Issues_Subject_To_Certifications.ashx).

## **Loan Management Account Proceeds Usage Update and Reminder**

The Loan Management Account® (LMA® Account) provides a convenient line of credit for clients to meet their liquidity needs. It’s important to ensure that all LMA Account loans are used in accordance with LMA loan documents, as updated hereby, the designated loan purpose and applicable law and regulations.

There are limitations on your LMA Account regarding the purchase of “securities” with advances from your Account (unless your LMA Account is designated for such purpose as described below) and other uses as set forth below, some of which are new. Relative to the LMA product, “securities” are defined as publicly traded financial assets, including without limitation, all assets meeting the definition of “margin stock” as that term is defined in Regulation U, **as well as** foreign listed stocks (including American Depository

Receipts (ADRs), listed options, fixed income instruments, mutual and exchange traded funds. Regulation U defines “margin stock” as any equity security trading on a national securities exchange; any OTC security trading in the Nasdaq Stock Market’s National Market; any debt security convertible into a margin stock or carrying a warrant or right to subscribe to or purchase a margin stock; any warrant or right to subscribe to or purchase a margin stock; or most mutual funds. Additionally, the definition of “securities” for the LMA product includes investments in market linked notes or other structured products, hedge funds or initial investments in private equity funds.

Each LMA Account is designated as either a: **Purpose Loan**, which may be used to purchase securities or to repay debt incurred to purchase margin stock; or a **Non-purpose Loan**, which may not be used to purchase securities or to repay debt incurred to purchase margin stock. The designation of Purpose or Non-purpose is made at account opening on a federal Form U-1 included in the LMA loan package. It’s important to remember this designation and abide by the restrictions on Non-purpose Loans when using your LMA Account.

Non-purpose Loan proceeds, for example, must not be placed into a Cash Management Account® (CMA® account) or any other securities account to cover a pending securities trade, place a new trade or repay margin debt. This restriction applies whether the funds are placed directly into the securities account for this purpose or are transferred or deposited into subsequent accounts in order to purchase securities or repay debt incurred to purchase margin stock.

In addition, certain restrictions apply to the use of LMA Loan Proceeds whether the account has been designated as Purpose or Non-Purpose. LMA Loan Proceeds should not be used in

the following manner, unless prior approval is received from Bank of America, N.A.:

- To fund insurance purchases or subsequent premium payments for fixed or variable insurance products<sup>1</sup> made through or arranged by your Merrill Lynch financial advisor and sold through Merrill Lynch or its affiliates.
- To purchase precious metals, including allocated units through the Merrill Lynch Physical Precious Metals Program.
- For members of a “Political Household”, to finance or refinance any campaign related activities or any other political purpose, including without limitation, the repayment of debt incurred as part of any political campaign.
  - “Political Household” is any household that includes (i) a candidate for, or holder of, federal, state or local elective office, or (ii) any political party and/or political action committee.
- To benefit an affiliate of Bank of America, N.A., including but not limited to, repaying debt owed to Merrill Lynch, Pierce, Fenner & Smith Incorporated (MLPF&S), funding termination or collateral calls on derivative transactions with MLPF&S and funding private equity capital calls if the relevant Private Equity Fund is affiliated with Bank of America, N.A.
- For any unlawful purpose and/or in violation of applicable laws and regulations.

Your financial advisor can help you gain an understanding of the limitations and guidelines described above, as well as help you confirm your LMA account’s designation as a Purpose Loan or a Non-Purpose Loan. Please refer to your LMA documents for additional information on the risks of borrowing against marketable securities.

<sup>1</sup>Products include life insurance, long term care insurance, disability insurance and annuities.
